RESPONSE TO NOTICE TO COMPLY

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Attention: Commissioner for Patents

Applicants believe the Notice to Comply mailed April 9, 2012 has been issued in error. Applicants' response filed December 22, 2011 did have language indicating that the computer readable form and the paper copy of the Sequence Listing are the same and do not include new matter. Applicants are resubmitting a courtesy copy of Applicants' Amendment and Communication Pursuant to 37 CFR §1.821(e) filed on December 22, 2011. The first paragraph of the communication says "The paper copy of the Sequence Listing in the above-identified application is identical to the computer readable copy of the Sequence Listing filed in application Serial No. 08/223,262, filed April 4, 1994." Also at the end of communication it says "Applicants hereby state that the computer readable form filed in application Serial No. 08/223,263 and the paper copy of the Sequence Listing enclosed are the same and do not include new matter."

Applicants request that the Notice to Comply mailed April 9, 2012 be withdrawn and the documents filed December 22, 2011 be entered: Amendment Under 1.312, Amendment and Communication Pursuant to 37 CFR §1.821(e) and sequence listing.
